Electricity is provided as part of the stall fee. The LazyE provides distribution panels. Exhibitors will need to provide their own extension cords. A 50' 10ga extension cord is recommended, along with a multi-outlet power strip to support your electrical needs.

Stalls are 10'x10' with **compacted dirt floor**. Stall Mats are recommended to go on the compacted dirt. **Recommended stalling is 4 juveniles or 3 yearlings/adults per 10x10 stall. Keep in mind that the safety and well-being of your alpacas is your responsibility, when you choose how many you will put in one stall.** All stalls have electricity with water and waste receptacles nearby. The arena and the stalling area are all under one roof. RV hook-up are on the grounds. Hook-up is \$25 per night and includes water and electricity. There is a dump station. A hose y-splitter is recommended, as water hook-ups are shared. The Lazy E Arena is located north of Oklahoma City on I-35, Exit 151, Seward Road. Go East 4.5 miles and look for signs for the Lazy E. **If using GPS, set your destination to 5200 E Forrest Hills Rd., Guthrie, OK. This will bring you right to the Lazy E front gate.** For more information go to www.lazye.com .
